

Subj: Gone Girl –Official Trailer

July 30, 2014

Fellow book-lovers:

Welcome to the House of Prose weekly newsletter. Newsletter is a bit of a grand statement as all we really want to do is to publish, on a weekly basis, a varied selection of some of the more interesting books we have received during the past 7 days. Just a taste of what comes in on a regular basis. These few books have been selected from a total of 870 new books to our shops received during the last week. The list of books below are presently not on our shelves as we are holding them for you, our favorite customers and Facebook friends, to peruse first just in case you are interested. If not, no problem, they will go on our shelves for sale to the general public by the weekend.

If you are interested in any of the books listed, just call us at our Jumeirah branch at (04) 344-9021, leave your name and we will hold it for you. Also remember we are computerized, so we can look up any book you are searching for in all our inventories - over the phone.

We also have attached a trailer of a new movie made from a best selling book. This week we have selected 'Gone Girl' by Gillian Flynn – also in stock at this time, if interested.
